Products for Pizza Perfection

PIZZA IS ALWAYS A CROWD PLEASER, AND THESE NEW ITEMS just make it easier to make or serve this wondrous food at home, whether it's made fresh from scratch or reheated. Don't forget the toppings.
—Andrea Lillo

Bradshaw Intl.
Through Bradshaw's new partnership with Groupe SEB, Bradshaw will debut its new T-fal kitchen tools, including the T-fal pizza cutter, which features a wheel made of durable and heat-resistant Tritan. goodcook.com

Outset
Outset's new cordierite baking tiles, in a set of four, are safe for both the grill and the oven, and can withstand temperatures up to 1,450 degrees. The tiles can also make French loaves, calzones and more. outsetinc.com

Dexas
One of several new pizza items from Dexas, the roller cutter is ergonomically shaped to fit comfortably in the palm of the hand for total control. The circular blade is easily removable for cleaning. dexas.com

Harold Import
An alternative to non-stick pans, Fante's Cousin Serafina's 13-inch pizza pan is made in Italy from heavyweight 18/10 stainless steel. The textured design stamped into the pan creates a naturally stick-resistant surface. haroldimport.com

Lifetime Brands
From Lifetime's new Brick Oven brand, the ceramic pizza stone features a patent-pending design that creates a nonstick surface. Oven safe to 500 degrees. Available in a 12-inch square, a 13-inch round and a 16-inch round. lifetimebrands.com
