Mini BBQ Light

Give your grilled food the attention it deserves with a spotlight! This nifty gadget has a powerful magnet base that attaches to any stainless steel tool, making grilling at night a snap.

Outset; \$14.99

Portable Grill

This portable device for open-flame grilling brings the campfire or grill anywhere. Even better, after the marshmallows are roasted, it can convert into a cozy outdoor fireplace.

Coleman; \$89.99

Fire Wire

These flexible skewers put wooden ones to shame with their heat-resistant, dishwasher-safe design. Even better, they hold twice as much food. *The Barbecue Store*; \$14 for pack of 2

Apron + Built-in Oven Mitts

Shield your clothes from unwanted splatters and save your hands from burns with oven mitts sewn into the front flaps of this cool apron.

A+R; \$25

BBQ Sauce Mop

The looped design of this easy-to-clean brush holds more sauce to slather on your ribs. Bonus bottle opener in the handle! *Progressive International*; \$16.99

3-in-1 Meat Tenderizer

After flattening your meat with this angled mallet, use the hook on the end to open packages and flip your steak.

Progressive International; \$12.99

Stainless Steel Kabob Set

Transporting skewers has never been so easy thanks to this set designed to keep two-prong kabobs firmly in place.

Weber; \$34.99
