Cookina

The company is showing reusable alternatives to aluminum foil, wax paper and parchment paper. Pictured: Barbecue Reusable grilling sheets. cookina.co

For the Grill

THE INTERNATIONAL HOME + HOUSEWARES SHOW TAKES place indoors, but some of the exhibitors are thinking about the great outdoors—as in grilling. Here are some of the items we look forward to seeing in person.—Duke Ratliff

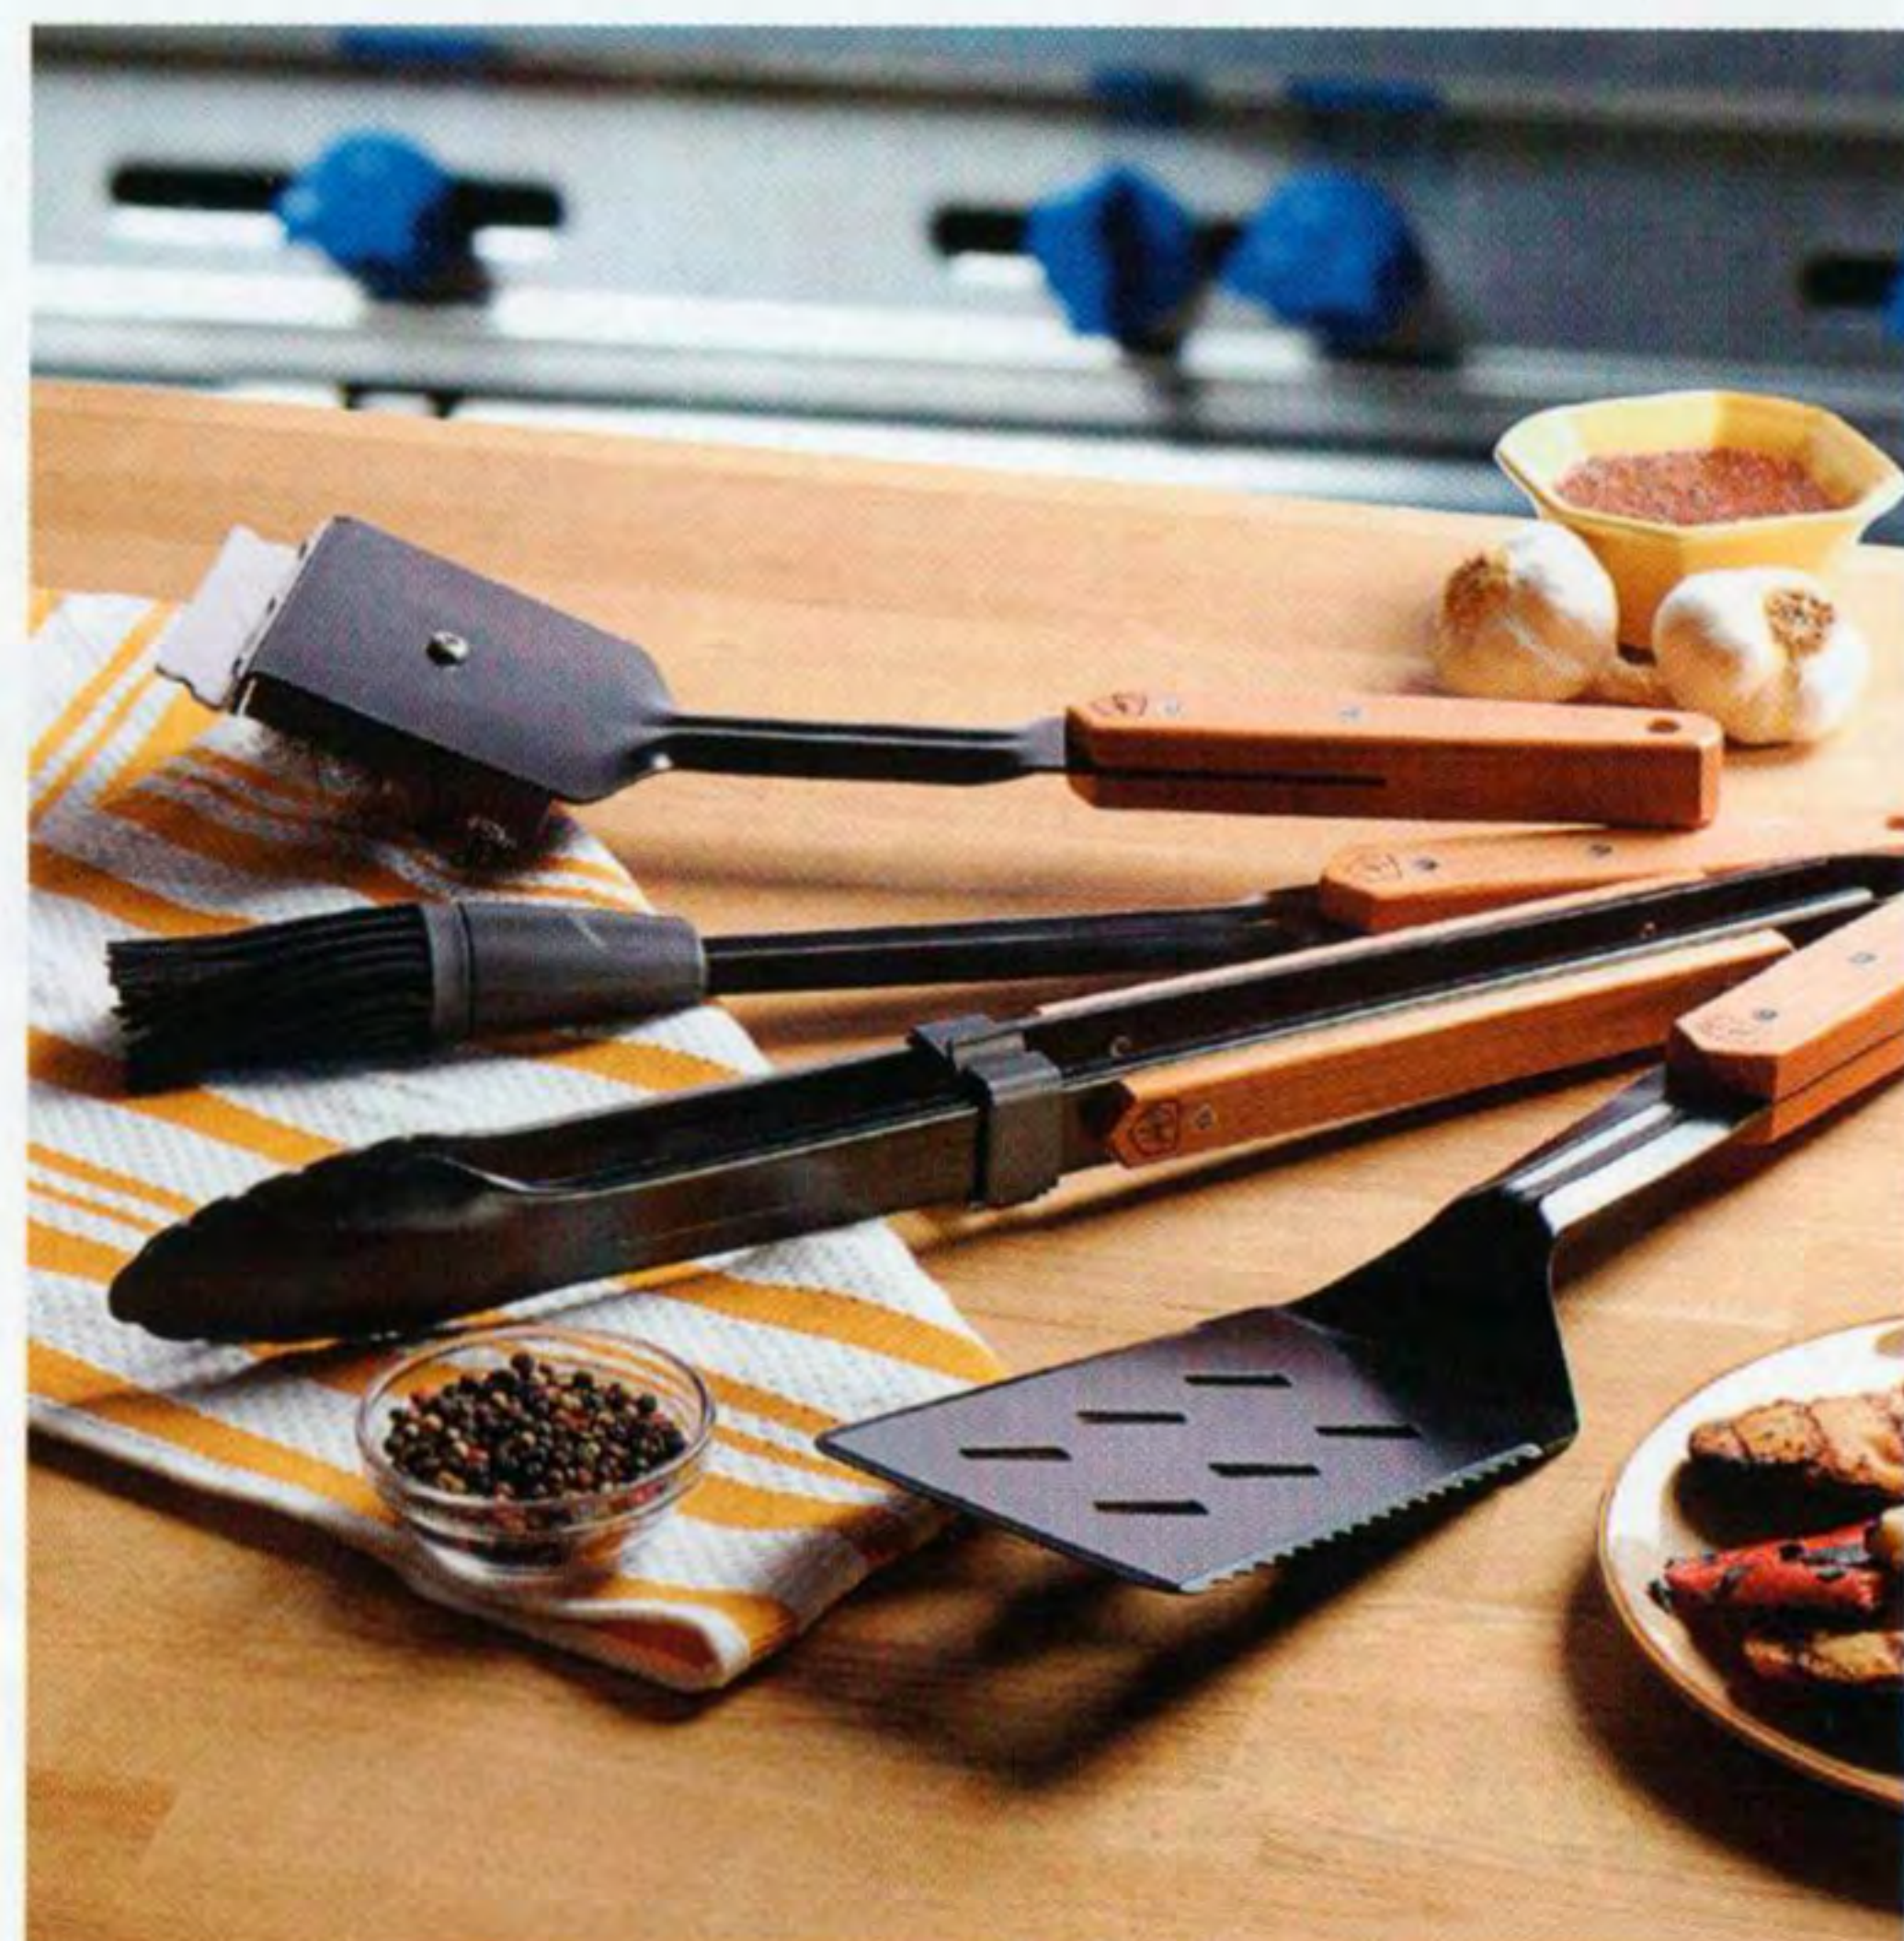

iDevices

iDevices is showcasing Bluetooth Smart products, including the iGrill2 connected cooking thermometer. idevicesinc.com

Fox Run Brands

The Pivot Spatula folds for easy storage. foxrunbrands.com

Guy Fieri

From Lifetime, these barbecue tools feature nonstick, black matte-finished heads for a rustic, wrought-iron look and feel. lifetimebrands.com
