**THE GREAT OUTDOORS** Transform your garden decor with these stylish, trendsetting items ideal for alfresco living. The only accessory you can't buy in the stores? Sunshine!

**1.** The PC Home **ECO Cornstarch Dishware Set** is created from the same ingredient that makes sauces smooth and thickens pies: cornstarch. And the best thing about the curvaceous retro dishware is that they don't chip or break if dropped! (From \$5.99, Superstore)  
**2.** Designer Don Chadwick is the bright spark behind the **Knoll Chadwick Spark chairs**, designed to fuse fashion and function with their vivid colours and stackability (From \$167, Inform Interiors). **3.** Huddle around the warm glow of this wood-burning **Weber Fireplace** when temperatures drop during those summer evenings (\$199.99, Weber). **4.** Light up your nights with the flickering glow of an exotic, bronze **Mahesh Lantern** (From \$31, Torre & Tagus). **5.** Make a statement in your backyard with this award-winning stainless steel **Elements Torch** (\$113, Enflux). **6.** Impress your guest with this sophisticated, functional **BBQ Grill Wok**. With nonstick properties and convenient handles, grilling veggies has never been so easy (\$29, The Gourmet Warehouse). – Sinead Keane
